

# Asbury Coffee Servers

Asbury is preparing for the worship services for the second half of 2011! We know that many people will have conflicts with family, school, and sporting activities. The schedule for July - December is listed below. Please note when you are assigned to help. If you cannot be at church to help when it is your turn, please call someone else on the list to be your substitute and let the church office know. Thank you very much for your help. You are an important part of our worship service. You will get a reminder phone call or e-mail during the week before your scheduled Sunday.

The morning coffee will be served in the back of the sanctuary, immediately following the church service. You will be responsible for getting the coffee and hot chocolate/cold drink ready. The two coffee pots are downstairs on the kitchen counter, and the Kool-Aid or Tang is in the kitchen cupboard above the south sink. Fill the coffee pot with water for around 30 cups and the hot chocolate for around 24 cups. Put four scoops of coffee in the insert with the white filter. The coffee with yellow scoop, hot chocolate mix, glass pitcher and/or coffee pot, and spatula are in the middle closet of the chapel. If you have any questions, call Anne Nichols at 646-2439
