

# Asbury Ushers

Asbury is preparing for the worship services for 2011! We know that many people will have conflicts with family, school, and sporting activities. The schedule for July - December is listed below. Please note when you are assigned to help. If you cannot be at church when it is your turn to usher, please call someone else on the list to be your substitute and let the church office know. Thank you very much for help. You are an important part of our worship service. You will get a reminder phone call or e-mail during the week before your scheduled Sunday
